

WE GET NOT EVERY ORGANIZATION HAS AN IN-HOUSE SERVICENOW EXPERT.

CDW Amplified™ OS and Apps
ServiceNow–Authorized Training

Build team credentials and realize ROI faster with ServiceNow–authorized training courses. Instructor–led and highly interactive, our ServiceNow courses help you expand your knowledge and propel you further down the path to ServiceNow expertise — all from the comfort of your desk. This training helps drive adoption, increase productivity and create consistency throughout your IT organization.

CDW's ServiceNow–Authorized Training can help you achieve:

-  Increased Performance
-  Operational Efficiencies
-  Agility

Orchestrating the Right Solution

Whether your team needs full certifications or you're just looking to expand their knowledge of the capabilities of the platform, our courses are designed to meet your needs and those of your team members as they develop their ServiceNow skills.

Benefits You Will Receive:

- Continually align your ServiceNow system to meet changing requirements
- Regularly enhance your support process by leveraging ServiceNow best practices
- Expand use across the organization through ongoing implementation innovation
- Provide continuing education for your ServiceNow Administrator(s)
- Achieve more ROI by having in–house trained and certified experts

CDW GETS SERVICENOW

As a ServiceNow Elite Partner, we are driven to achieve top results for your ServiceNow initiatives. We have the experience, expertise and proven customer satisfaction track record you're looking for.
