

WE GET THAT SOMETIMES YOU NEED MORE RESOURCES TO GET THE JOB DONE.

CDW Amplified™ OS and Apps
SmartTeam Staff Enhancement Services

With SmartTeam Staff Enhancement, CDW provides you with a dedicated ServiceNow-certified Support Services team member, who will join your IT team for up to five days per week. You'll have more time to attend to the larger issues of maximizing ServiceNow's impact on your business. Enhance your team with ours and get the project over the finish line.

CDW's SmartTeam Staff Augmentation Services by CDW can help you achieve:

-  Operational Efficiencies
-  Increased Performance
-  Cost Reduction

Orchestrating the Right Solution

The SmartTeam engagement begins by aligning our goals and resources to your specific business needs. After the best team members are selected to suit your objectives, we define milestones and expectations and officially launch the engagement. Regular meetings and touchpoints are established to review results and define next steps.

SmartTeam Benefits:

- Focus your staff's efforts toward strategic goals by adding a dedicated ServiceNow developer to your IT team.
- Perform any ServiceNow development or administrative task requested with the support of our certified developers.
- Achieve peace of mind knowing that each developer is backed by a dedicated team of ServiceNow specialists in our Support Services department.
- Add a certified ServiceNow developer to your team for up to five days a week – the equivalent of one full-time employee.

CDW GETS SERVICENOW

As a ServiceNow Elite Partner, we are driven to achieve top results for your ServiceNow initiatives. We have the experience, expertise and proven customer satisfaction track record you're looking for.
