FROM HELLO TO FOREVER

Our decades-long commitment to complete customer care puts CDW Canada in a class of its own. When you choose us, you gain an ally operating at full capacity all the time on your behalf. With mission-critical software like Microsoft Office 365, that's invaluable. Our team helps you target your needs, choose an optimal service plan, secure licenses and then get live fast. But that's just the beginning, because we keep delivering our industry-leading service and support for as long as you need us.

▪ Customer-Driven Deliverables

At CDW Canada, we consider our team an extension of your team. Our customer-focused approach supports that value, and allows us to work with you to select the right Microsoft Office 365 plan, and respond to all your needs throughout the entire lifecycle of your objectives.

▪ Single-Point Personal Care

Personalized, single-point customer care is the hallmark of CDW. Your dedicated account manager is with you from the start to make sure you're getting what you need, when you need it – connecting you with solutions in real time via a real person.

▪ Signature Tech Support 24/7

Our Support Centres are available to you by phone or email 24/7. We solve it all, because we've seen it all. With years of Microsoft experience, you can trust us to get you back up and running day or night.

▪ The Partner Advantage

Whatever's next, CDW keeps you first. We're a top Microsoft partner and a premier provider of Microsoft Office 365 so you can trust us to be your roadmap to Office 365, cloud services and beyond. When you partner with CDW you'll enjoy no-cost version upgrades, flexible payment plans, competitive pricing and all the benefits that come from a time-honoured business relationship.

POWERING PERFORMANCE THROUGH EXPERT SOLUTIONS

You want the move to Microsoft Office 365 to be fast and flawless. We're up to the challenge. Whether you need to move 5 licenses or 250, CDW's cloud services team has the expertise and solutions to make it happen on your schedule while keeping your performance high and your costs low.

▪ Rapid, High-Quality Migration

Time is a valuable thing, and we help you save it. Our proven process ensures the highest-quality data transfer, including email and custom settings. We use a powerfully smart automated system that outshines the competition in reliability and velocity, freeing your team to focus on business.

▪ A Better Bottom Line

Our customers tell us migrating to Microsoft Office 365 with CDW Canada is hands-down one of the easiest, most cost-effective moves they've experienced. They save on software, hardware and IT costs that can easily skyrocket when migrations happen in-house. Plus, with our guaranteed 99.9% uptime and financially backed service-level agreement from Microsoft, performance stays high.

▪ Safe and Secure

With security so crucial and compliance regulations a constantly moving target, expectations are evolving, too. It's more important than ever to be able to deliver the high availability and rapid response critical to your business. Rest assured your data stays safe with our cutting-edge security practices – and it stays with you. Microsoft and CDW Canada never scan emails or documents for advertising purposes.
