

# Built for business, wherever work happens

The 11th Gen Intel vPro® platform  
delivers cutting-edge performance and  
enhanced hardware-based security

Even though the world looks different, you can count on the Intel vPro® platform to be there for your business. 11th Gen Intel® vPro® processors power amazing experiences for IT and end users, setting a new standard for business performance, enhanced security, and remote manageability for IT.

## GROUNDBREAKING PERFORMANCE AND ROBUST COLLABORATION CAPABILITIES

11th Gen Intel® vPro® processors deliver amazing real-world experiences for IT and employees. AI technologies and Intel® Iris® X® graphics provide enhanced collaboration and productivity, while Thunderbolt™ 4 connectors, Intel® Optane™, and Wi-Fi 6 and 6E provide superior connectivity.

## UNMATCHED SECURITY FOR TODAY AND TOMORROW

Security starts with Intel. Businesses can focus on what's important knowing Intel® Hardware Shield helps protect against an entire class of attacks with industry-first techniques to detect emerging threats.

## POWERFUL REMOTE MANAGEABILITY AND STABILITY FOR IT

Keep your business fleet up and running from anywhere with the Intel vPro® platform. With Intel® Active Management Technology, IT gets a solution that offers remote remediation — even when the OS is down.
