

Built for what IT needs and what users want

Stylish, thin and light laptops designed
for an amazing business experience
on the Intel® Evo™ vPro® platform

Business is changing, and today's workforce is changing with it. New Intel® Evo™ platform-powered laptops are co-engineered to deliver industry-leading performance and boundary-breaking experiences that will keep business moving forward.

PREMIUM BUSINESS-CLASS LAPTOP EXPERIENCE

Powerful 11th Gen Intel® Core™ vPro® processors provide impressive performance, with remarkable responsiveness, instant wake, and long real-world battery life in premium devices with beautiful, immersive displays.

UNPRECEDENTED SECURITY

Intel® Hardware Shield, available exclusively on the Intel vPro® platform, delivers built-in features for better protection below the OS, and advanced threat protection to help reduce attack surface and help protect your workforce.

BARRIER-FREE COLLABORATION

The latest in wireless connectivity allows employees to collaborate seamlessly.

No product or component can be absolutely secure.

Performance varies by use, configuration and other factors. Learn more at www.Intel.com/PerformanceIndex.

Performance results are based on testing as of dates shown in configurations and may not reflect all publicly available updates. See intel.com/evo for configuration details.

Your costs and results may vary.

Intel technologies may require enabled hardware, software or service activation.
