

Gartner Names Juniper a Magic Quadrant Challenger in Enterprise Network Firewalls

We've moved up into the Challengers position of Gartner 2020 Magic Quadrant for Enterprise Network Firewalls. We believe our placement is validation by our customers of the strengths that a threat-aware network, enabled by Juniper Connected Security, brings to enterprise businesses.

Since we introduced the Juniper Connected Security solution in March 2019, we've helped enterprises in a variety of industries safeguard their users, applications, and infrastructure through extensive visibility, intelligence, and enforcement.

Learn how we're challenging the status quo in network security.
