

# UNLEASH THE POWER OF CHROMEBOOK WITH LOGITECH

Discover Logitech solutions certified to work seamlessly with Chromebooks.

Adding certified peripherals to a Chromebook transforms how people work and play. Logitech-certified Works With Chromebook solutions allow users to enjoy ergonomic and productivity benefits across a variety of product categories.

The Works With Chromebook badge validates that a Logitech product has been tested and certified by Google as compatible with Chromebook.

"As a strategic partner, Logitech brings value to our Chromebook users with a full range of Works With Chromebook certified solutions. Beyond the seamless integration that is expected with our Works With Chromebook certified vendor solutions, Logitech offers users peripherals that will increase user productivity and efficiency at the desktop, while maximizing coveted USB space with their unifying technology. We are proud to be working with Logitech where together we provide Chromebook users the best possible experience."
