## 0% Interest Leasing

### From VAR Technology Finance

Whether you're implementing a new storage solution, upgrading desktops and peripherals or increasing mobility through the use of laptops and tablets, VAR Technology Finance is able to provide you with a competitive leasing solution.

The Fair Market Value (FMV) Lease is the preferred method of acquiring new technology for many reasons. It is the most cost-effective option with the lowest payments and offers the greatest amount of flexibility at the end of term. You're able to keep your technology current at a minimal cost so that your business can stay focused on growth and success.

For more information on leasing your technology solution, contact VAR Technology Finance today.
