

WE GET A CLEAN START HAS NEVER BEEN MORE IMPORTANT.

CDW Amplified™ Support
SanitizeIT

At CDW, we understand that protecting your students, faculty and staff is paramount to you. As you prepare to bring people back into your institutions, CDW can help you properly sanitize devices that are returning onto school grounds. We will work with you to create a sanitization plan that includes collecting devices brought onto school property and disinfecting them in accordance with OEM standards, WHO guidelines and CDC requirements – helping you to lower the spread of germs and provide a safer environment.

SANITIZE IT

SanitizeIT can help you achieve:

-  Reduced Risk
-  Reliability
-  Operational Efficiencies

K-12

CDW GETS K-12

As K-12 moved from learning in the classroom to learning remotely, the devices that left with your people will soon return. We get the concerns around providing the safest conditions possible as the transition from home back to the classroom takes place. As a trusted partner to school districts of every size, we've guided you through tight budgets, bewildering technology choices and expertise shortfalls – and we are here to help you on your journey "back to school."
